2010 EGBSC Silent Auction – Carved Muskie Presentation

The Eastern Georgian Bay Stewardship Council recently awarded a muskellunge carving to Jeremy Wohleber who submitted the winning bid in the Council's silent auction as a fundraiser event. The award was accepted by Steve Wohleber, Jeremy's father.

The musky was carved by Dick Biggins – a local cottager who donated it to the Council to aid in their fundraising campaign for fisheries enhancement work.

The Council wishes to acknowledge and thank Rob Moorish, owner of the local Canadian Tire Store who provided the venue for the silent auction.
